Docket No. T-02428A-09-

Enclosed for filing with the Commission are an original and thirteen (13) copies of revisions to AT&T Communications of the Mountain States, Inc.'s Private Line Services Tariff-Schedule 11. This filing adds a Frame Relay Expedited Order Charge and restructures the ATM Expedited Order Charge.

The effective date of this filing is July 20, 2010.

There is no customer notice provided since this is a non-recurring charge which applies to installation of service.

The following tariff pages are included with this filing:

<u>Section</u>	<u>Page</u>	<u>Revision</u>
15	5	1st
PL-12	32	4th
PL-15	39	4th

The current maximum rates for Frame Relay service can be found at:

http://serviceguide.att.com/servicelibrary/business/ext/files/AZPL11SDM_f002.pdf#page=1
Section 12, Page 5.

The maximum rate for the ATM Expedited Order Charge is newly established with this filing since this is a restructure of a charge.

Please call me at 775-333-3991 if you have any questions.

Sincerely,

SECTION 15 - AT&T REGIONAL ATM SERVICE

15.1 GENERAL (Cont'd)

15.1.2 REGULATIONS (Cont'd)

G. CHANGE OF AN ORDER

When a Customer changes the speed of a Regional Access Port, or changes the CIR or QoS of a Regional PVC before the Due Date, such a change is considered to be a design change, not a cancellation of an order. No design change charges apply for RATM. However, if the Customer requests a Regional Access Port speed change, a new Due Date will be established by the Company. Such new Due Date will be confirmed with the Customer.

H. EXPEDITE OF AN ORDER

At the Customer's request, the Company will attempt to advance the Due Date of an order to the installation of a Regional Access Port to a new negotiated Due Date. If the new date is met, the following Nonrecurring Charge applies.

	<u>Maximum Rate¹</u> <u>Nonrecurring Charge</u>	(D)
- Per Expedited Regional Access Port using T1 Access	\$2,800.00	(N)
- Per Expedited Regional Access Port using T3 Access	\$6,000.00	
- Per Expedited Regional Access Port using OC-3 Access	\$8,000.00	(N)

H. MINIMUM PAYMENT PERIOD

There is no minimum payment period for RATM.

15.1.3 PROVISION OF ACCESS LINES

Regional Access Ports are available for connection to Regional PVCs within the same LATA. Regional Access Ports include a digital access line from the Customer Premises to an AT&T Central Office providing RATM within that LATA. Equivalent digital access lines provided by the Customer, in lieu of the access lines provided by AT&T, may be connected to Regional Access Ports, however all nonrecurring and monthly charges for Regional Access Ports as specified in the Price List apply.

Digital access lines connected to a Regional Access Port cannot connect to a Domestic Port or Global Port, provided under the AT&T Business Services Guides.

Note 1: See Price List for current rates.
